

Intl. staff asked what is the ranking of SIT?

2013

- Emphasized the importance of English courses.
- Encouraged the students to participate in global programs like GGP.

2014

- Not eligible for ranking
- Insufficient research output
 - Started to work towards Ranking

2016

- First entered ranking system
- QS Asia Ranking
 - Not eligible for world university ranking

2017

- New ranking system
- THE Japan ranking
 - #58

2021

- Entered World Ranking
- QS World
 - THE World
 - QS Japan Ranking #30

- We are continuously working towards globalization and improve the university ranking.

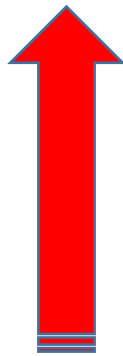

In 2022 we need

- Improve the university branding
- Increase collaboration with top-tier universities
- Increase research output

To Improve Ranking !!

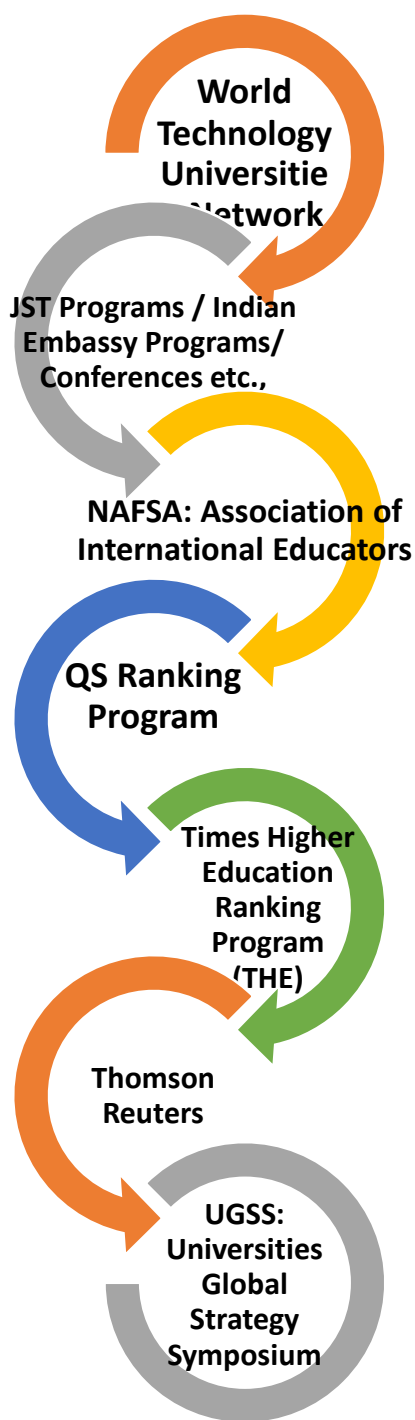

- Top 10 technical universities in Asia, towards centennial SIT (2027)
- We chose 3 ranking systems to achieve the goal

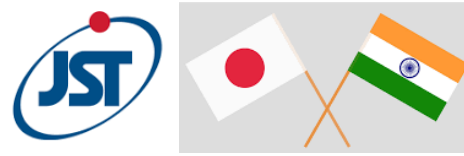

Working towards Globalization & Internationalization

Branding of the University

- Attend various ranking conferences
- Strengthen International Collaborations
- Programs to make new partners

WORLD TECHNOLOGY
UNIVERSITIES NETWORK

NAFSA
Association of
International Educators

THE

UGSS

WTUN – a network of technological universities focused to enhance **the ranking, collaborations and global visibility**

A new way to **introduce SIT to students with different nationalities**. To increase the reach and spread of university information

NAFSA– An association **dedicated to international education and exchange**. To enable the transfer of knowledge to improve university ranking and networking

QS ranking programs – a ranking organization to increase the **global visibility**. Several programs to help us learn how to enhance ranking and explain the important factors

THE ranking programs– a ranking organization to increase **the global visibility**. Several programs to help us learn how to enhance ranking and explain the important factors

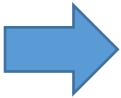

Thomson Reuters – a ranking organization to **increase the global visibility**

UGSS– a symposium with the aim of **sharing knowledge and ways to strategic planning and techniques** used by various universities.

I networked with the following universities

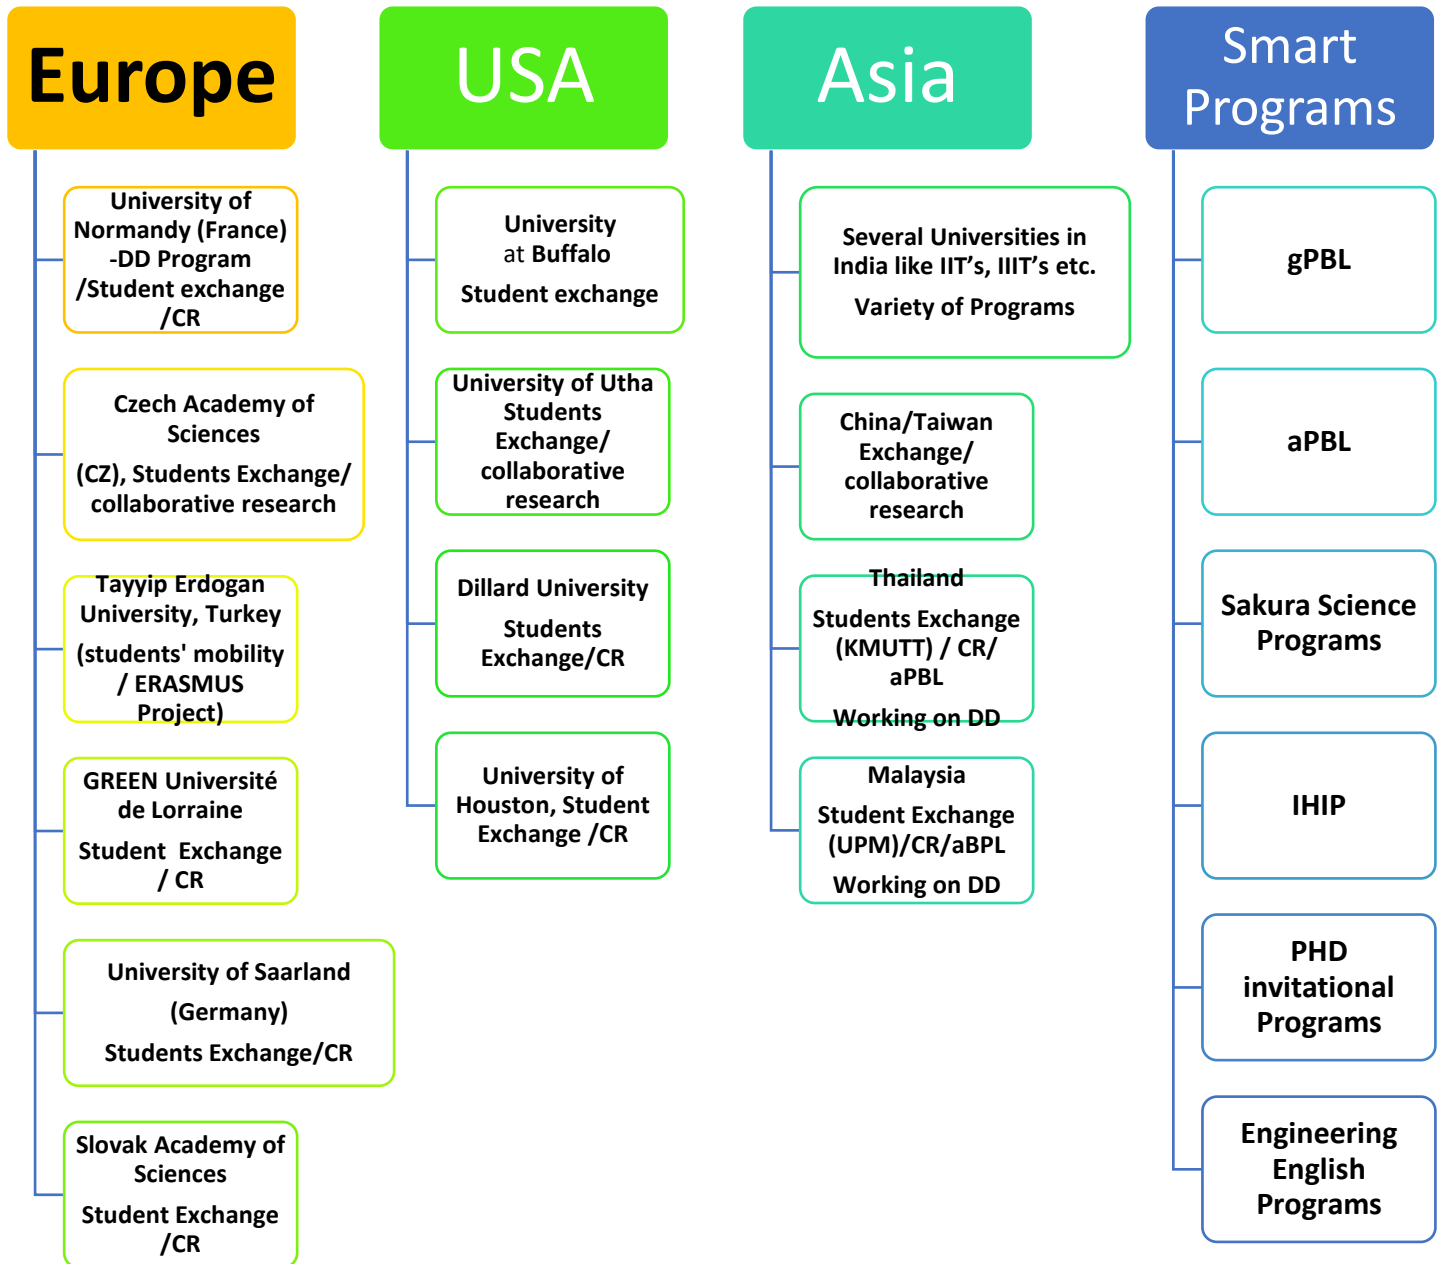

- Strengthened existing collaborations and created MoU's for new programs
- Made new partners using exchange programs

Inbound to SIT

We recruiting talented students from abroad

Opportunities for Indian students via various global smart programs

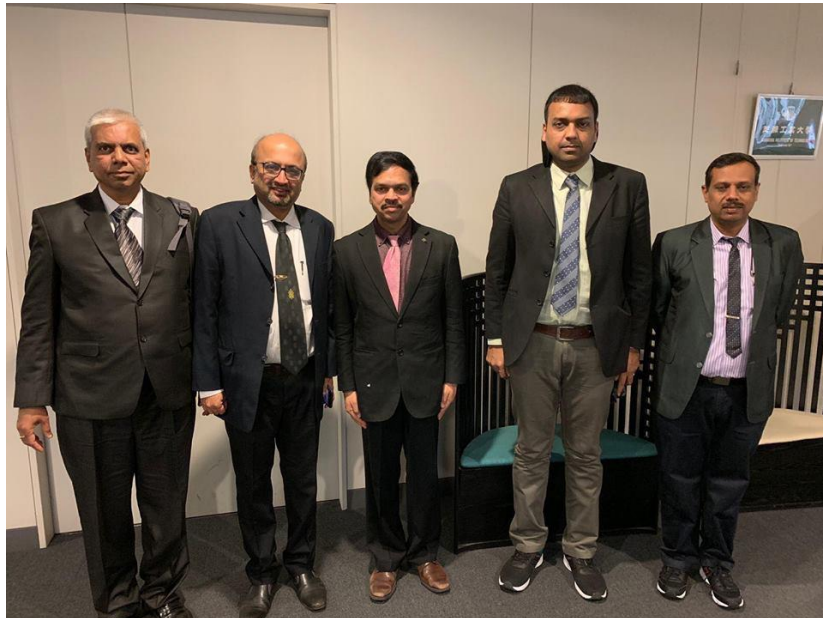

Introducing SIT Chairman BOD to Indian Unis

1. Meeting and discussing with Japanese Ambassador H.E. Kenji Hiramatsu and First Secretary Daisuke Kodama regarding collaborations of Indian-Japanese institutions.
2. Dinner with Chairman of Sumitomo Materials Construction Corporation: Mr. Shigeki Ikejiri
3. IIT Madras Presidential Meeting with Director Prof. Dr. Bhaskar Ramamurthi and Dean Prof. Dr. Nagarajan concerning the establishment of JD/DD programs along with stronger research programs.
4. Amity University Presidential Meeting with Vice Chancellor Gurinder Singh and Executive Staff regarding the establishment of new gPBL programs within SIT-Amity inbound student exchange, etc.
5. Anna University Director Meeting for establishment of MOU and research oriented student exchange.

Endless List of MOU Formulation

University Collaborations

- Invited to **University of CAEN (France)** for my presentation on Top Global University Project, Vision and Education at SIT.
- Also, this trip was aimed to improve collaborations
- Presidential meeting with Vice-presidents regarding establishment of MOU with **Dillard University** and SIT.
- Discussions with Dr. Eartha Jonson (Dean of Arts and Sciences) and Dr. Lovell Agwaramgbo (Chair of School of STEM) regarding providing strong student exchange and global internship programs between Dillard U and SIT

- Director Meeting with Dr. John Wood (Senior Associate Vice Provost for International Education), Dr. Mary Odrzywolski (Director of Study Abroad Programs), and other officials at **University at Buffalo**.
- In the following director meeting, we were able to discuss key issues of applying for major joint project of both institutions, establishing key UB Staff Exchange, establishing JD/DD programs, and pursuing research collaborations.
- **University of Utah, Stanford, University, San Jose State University**
- I had the great pleasure of visiting University of Utah and discussing essential collaborations with Prof. Ashutosh Tiwari (Director of Nanostructured Materials Research Laboratory).
- Furthermore, significant collaborations was also discussed with Dr. Amanda Funai, Prof. Taylor D. Sparks, and Executive Secretary Ms. Lizett Ross

World Technology University Congress (WTUN 2019)

- Vice Chancellors and Presidents from 22 universities within United Kingdom, Australia, Asia, Canada, and USA to come together in order to discuss the powerful role of higher education.
- A valuable opportunity to take part in establishing significant partnerships and collaborations with university presidents and industrial leaders to enhance research potential.

11th University Global Strategy Symposium (UGSS 2017)

- Organized by Mizuho Securities Co., Ltd.
- It was a great pleasure to discuss collaborations with President and Nobel Peace Prize Committee Chairman for Chemistry Prof. Bertie Anderson from Nanyang Technological University (Singapore) and Director Allen Marcum from Massachusetts Institute of Technology (MIT, USA).
- The main mission of the symposium was to discuss about the future design and engineering for university capital resources

NAFSA 2019 Conference

- NAFSA is the largest and most comprehensive association of professionals committed to advancing international higher education within United States.
- I was invited to French Embassy and Czech Embassy to meet institutional leaders to enhance diplomatic relations.
- It was a brilliant opportunity to meet SIT's partner universities and further discuss the current progress in terms of collaboration.

QS and THE University ranking conferences

QS APPLE2019

Asia Pacific

15th Annual Strategic Summit for the Advancement of University Excellence in all its Forms

November 2019 • Fukuoka, Japan

- A brilliant opportunity to effectively network, promote, and share individual university's strategies and their take towards world ranking.
- Moreover, numerous universities showed strong interest to pursue a MOU and establish effective research collaborations. As a result, executive team from Vellore Institute of Technology had visited SIT to propose faculty and student exchange

QS 13th QS-APPLE

THIRTEENTH QS ASIA PACIFIC PROFESSIONAL LEADERS IN EDUCATION CONFERENCE AND EXHIBITION

www.qsapple.org

- More than 400 international educators from 25 countries.
- Keynote presentations regarding professional development, campus internationalization, university ranking strategies, etc.
